To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

Letter P.C.No.432/DEC/23 dated 7-12-23 of the President, District Educational Council, South Kanara, applying for an additional allotment of Rs.3,000/- for teaching grants for 1923-24.

Submitted to Government, Law (Education).

2. In G.O.1431 Law (Education) dated 22-10-23 an amount of Rs.64,173/- was sanctioned to the Council for payment of teaching grants for the year 1923-24. Though the amount sanctioned is the same as that sanctioned in the previous year, a surplus of Rs.311/- was available with the Council for expenditure

in the current year.

3. The amount sanctioned this year gives an average grant of Rs.3.5 per scholar against Rs.3.2 per scholar paid in the previous year to this Council while the average for the Presidency works out at only Rs.3 per pupil. The District Educational Council has therefore received liberal treatment in the matter of grants. The Council's attention may, in this connection, be invited to the last para of rule 2 of the rules issued under Section 42(2) of the Madras Elementary Education Act.

To The Secretary to the Government of Madras,

Through,
The Director of Public Instruction, Madras. Law (Education) **Department.**

Sir,

In enclosing herein a copy of the Resolution No. passed by the Educational Council at its meeting held on 1-12-22, I have the honour to state that nearly 50 schools had to be newly admitted to aid for the current year in accordance with the recommendations of the Departmental -- officers; but as the amount of the teaching grant sanctioned for the Current year is the same as that sanctioned for the previous year, payment of grant for these new schools will naturally effect the interests of the long existing well conducted institutions. The amount now sanctioned by ---- Government in G.O.No.1438 Law (Education) dated 28-10-22 is not enough even to adequately satisfy the requirements of the departmental officers with regard to the

existing institutions. Such being the case, an extra grant of at least Rs 3,000/- is absolutely necessary to satisfy the bare minimum requirements of this District.

About a dozen schools have no doubt been closed during the year but this will not in any way effect any substantial savings as there must have been a fair increase in the number of trained teachers in the other institutions.

I have the honour to be,

Sir

Your most obedient servant,

Vice President,
District Educational Council
South Kanara.
